5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.									
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.									

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. PHA Goal: Expand the supply of assisted Housing objectives by applying for additional rental vouchers if funding is available 1) The GGHA will apply for new vouchers to expand its program if they become available within the next 5 years (2010-14) PHA Goal: Improve the quality of assisted housing Improve Voucher Management (SEMAP Score) The GGHA will continue to take steps to maintain the "High Performing " rating as designated in the SEMAP Score during the 5 year period 2010-2014. Increase Customer Satisfaction. The GGHA will continue the goal of providing excellent customer service in the next five years (2010-2014). This goal will be accomplished by continuous assessment of its polices and procedures to ensure they are effectively serving the GGHA's mission. One of the tools the GGHA will utilize to expand access to the program is its website. Our goal is to make the website easy to use and interactive. The GGHA plans to accept new applications for its waiting list utilizing its online capabilities in addition to other marketing strategies. The GGHA will also utilize the website Housing portal to respond to inquiries. The GGHA also plans to expand its Direct Deposit service to all landlords in an attempt to resolve the problem of lost/misplaced checks and reduce the cost of printing and mailing payments. Maintain Rental Housing Stock. The GGHA will continue to apply HQS as well as local Building codes in conducting inspections. PHA Goal: Increase assisted housing choices 1) Provide voucher mobility and portability counseling The GGHA in collaboration with Anaheim and Orange County Housing Authorities will continue to participate in a Mobility Agreement as an alternative to Portability. Under Mobility, each PHA retained their tenants if they moved within the County and contracted the inspection duties to the appropriate jurisdiction. This process eliminated the complex billing for HAP and Administrative Fees usually associated with Portability. PHAs were billed for just out-of-jurisdiction inspections, which proved more cost effective. Since most tenants moved within the County boundaries, this process provided expanded housing choices for tenants without the cumbersome red tape associated with Portability. Tenants received information on both Portability and Mobility both in Initial Briefing sessions as well as moves with Voucher assistance. Conduct outreach efforts to potential voucher landlords Provided access to program information to landlords on the GGHA website and offered a listing service for vacant rental units. The GGHA will continue its membership with the Apartment Association of Orange County, which provides opportunities to market the program to property owners. Increase voucher payment standards as funding will allow The GGHA will increase payments standards to maximize tenant housing choices while staying within budget constraints. The GGHA will continue to assess payment standards in relation to disabled and other hard to house tenants. PHA Goal: Promote Self-Sufficiency and assist development of families and individuals Continue to administer the Family Self-Sufficiency Program Maintain the FSS Program and encourage participants to take steps toward career development and economic self-sufficiency. PHA Goal: Ensure Equal Opportunity in Housing Continue to promote Equal Opportunity in housing through landlord education and referrals to the Fair Housing Council of Orange County 2) ** Provide bilingual services in Vietnamese & Spanish to ensure applicants and participants have equal access to housing programs 3) Provide "reasonable accommodation" within program regulations, to disabled participants PHA Plan Update 6.0 a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: None b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. The public may obtain copies of the 5-year Plan and Annual Plan at the Housing Authority Office located at 11277 Garden Grove Blvd., Suite 101-C, Garden Grove, CA or online, on the City of Garden Grove's website: http://www.ci.garden-grove.ca.us Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. Include statements related to these programs as applicable. The GGHA plans to continue its collaboration with Jamboree Housing Corporation to acquire and rehabilitate 104 units in the Buena Clinton neighborhood. The GGHA will provide 52 Project-based Vouchers to residents of the project from its Tenant-based Voucher allocation. The initial term of the HAP Contract is 15 years, which will ensure that the project remains affordable to low-income tenants and contribute to maintaining the 7.0 rental housing stock in Garden Grove. Jamboree Housing Corporation is a non-profit Housing Development Organization and qualifies as a CHOO (Community Housing Development Organization) under HOME grant regulations. Jamboree will provide support services to families residing in the project according to a needs assessment. Services will address daily living concerns and may include job skills training, parenting, health screenings/education, and English as a second language. Other potential services will include after school and computer literacy programs. If subsequent opportunities arise in the period covered by this Plan (2010-2014) to utilize Project-based Vouchers to assist New Construction, Rehabilitation or Existing Housing Projects, the GGHA will participate as allowable under HUD regulations. Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable. Not Applicable. The GGHA is a Section 8 only PHA and does not administer Public Housing Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually 8.1 complete and submit the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1, for each current and open CFP grant and CFFP financing. - Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the Capital Fund Program Five-Year Action Plan, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year 8.2 for a five year period). Large capital items must be included in the Five-Year Action Plan. Not Applicable. The GGHA is a Section 8 only PHA and does not administer Public Housing Capital Fund Financing Program (CFFP). 8.3 Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements. Not Applicable. The GGHA is a Section 8 only PHA and does not administer Public Housing Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address 9.0 issues of affordability, supply, quality, accessibility, size of units, and location. The GGHA used information in the City of Garden Grove's Consolidated Plan for 2005-2010, Chapter 3, Housing & Community Needs when developing its Annual and 5-year Plans. The Consolidated Plan identifies issues of affordability, supply, quality, accessibility, size of units and location. The Consolidated Plan is posted on the City of Garden Grove's website: http://www.ci.garden-grove.ca.us/ The City of Garden Grove will be updating its Consolidated Plan beginning 2010; therefore subsequent Annual Plans will reflect any changing needs within the community to be consistent with the new Consolidated Plan. Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. The GGHA is a Section 8 only, High Performing PHA; therefore it is providing the following information with its Annual Plan in 9.1 conjunction with its 5-year Plan. The GGHA's applicant waiting list and participant population does reflect the housing needs in the community. The needs assessment contained in the Consolidated Plan identify a significant very low and extremely low-income renter population. Within this income population, female-headed households, disabled and elderly all had serious housing needs. The GGHA waiting list and participants reflect this population and gives preference to those families whose income is below 30% of median or Extremely Low. 75% of its new participants are in this category. The GGHA will continue this preference in the coming year so as to reach those with the severest housing need. GGHA will also give preference to those families referred by the Thomas House Temporary Shelter (located in Garden Grove) to address the homeless need. Additional Information. Describe the following, as well as any additional information HUD has requested. (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. Attachment D Violence Against Women Act **(VAWA) Policy**

Garden Grove Housing Authority Violence Against Women Act (VAWA) Policy

On January 5, 2006, President Bush signed VAWA into law as Public Law 109-162. Section 603 of the law amends Section 5A of the U.S. Housing Act (42 U.S.C. 1437C-1) to require PHAs' Five-Year Plan and Annual Plan to contain information regarding any goals, activities, objectives, policies, or programs of the PHA that are intended to support or assist victims of domestic violence, dating violence, sexual assault, or stalking. All PHA Plans submitted after January 5, 2006 must address VAWA. Provisions of VAWA are applicable to Section 8 programs and to owners renting to families under the Section 8 rental assistance programs.

I. Purpose and Applicability

The purpose of this Policy is to implement the applicable provisions of VAWA and set forth goals, policies and procedures intended to assist victims of domestic violence, dating violence, sexual assault, or stalking.

II. Goals and Objectives

This Policy has the following principal goals and objectives.

- A. The Garden Grove Housing Authority (GGHA) supports the goals of the VAWA Amendments and will comply with its requirements.
- B. The GGHA will continue to administer its Section 8 Housing Choice Voucher program in ways that support and protect residents who may be victims of domestic violence, dating violence, sexual assault or stalking.
- C. The GGHA will not take any adverse action against a participant or applicant solely on the basis of her or his being a victim of such criminal activity, including threats of such activity. "Adverse action" in this context includes denial or termination of housing assistance.
- D. The GGHA will not subject a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard for lease compliance than other tenants.
- E. The GGHA will continue to develop policies and procedures as needed to implement the requirements of VAWA, and to collaborate with other agencies to prevent and respond to

domestic violence, dating violence, sexual assault or stalking, as those criminal activities may affect applicants for and participants in the GGHA's housing program.

F. The GGHA will provide notices explaining the VAWA protections to applicants and participants for housing assistance and to property owners participating in the voucher program.

III. Definitions As Used In VAWA

- A. The term **domestic violence** includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- B. The term **dating violence** means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship

C. The term **stalking** means:

- To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
- To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
- In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family or that person, or (3) the spouse or intimate partner of that person.

- D. The term *immediate family member* means, with respect to a person:
 - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
 - Any other person living in the household of that person and related to that person by blood and marriage.

IV. Victim Documentation

- When the actions of a tenant, household member, guest or other person under the tenant's control call for the termination of tenancy or assistance, and a tenant or other household member claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the GGHA or owner/manager will ensure that the family is provided the protections afforded under VAWA.
- The GGHA or owner/manager may request that an individual certify that s/he is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse.
- The certification must include the name of the perpetrator and be provided within 14 business days after the individual receives a request from the GGHA, owner or manager.

The GGHA or owner/manager may extend the 14-day deadline, at their discretion.

If the individual does not submit the certification within the required time frame (including any approved extension), the GGHA or owner/manager may proceed with terminating the tenancy or assistance of the family.

 An individual may satisfy the certification requirement by providing documentation "signed by an employee, agent, or volunteer of a victim service provider, an attorney, judge, law enforcement agent or a medical professional, from whom the victim has sought assistance in addressing the actual or threatened abuse" The GGHA or owner/manager may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

V. Evicting Or Terminating Assistance Of A Perpetrator

Notwithstanding any Federal, State, or local law to the contrary, the GGHA may terminate assistance to, or an owner or manager may bifurcate a lease, or remove a household member from a lease without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant. GGHA will require a restraining order, police report and/or other form of verification from the victim prior of termination of the assistance of a tenant who engages in criminal acts of physical violence against family members and others.

Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing.

VI. Right To Terminate Tenancy

- The GGHA and owner/manager retain the authority to terminate the tenancy, occupancy, or program assistance of a victim under either of the following conditions:
 - The termination is for a lease violation premised on something other than an act of domestic violence, dating violence, or stalking against the victim and the GGHA or owner is holding the victim to a standard no more "demanding" than the standard to which other tenants are held.
 - The GGHA or owner/manager can demonstrate an "actual and imminent threat to other tenants or those employed at or providing service to the property" if the tenancy of the victim is not terminated.

VII. Notice Requirements

 The GGHA will provide notice to HCV participants of their rights under VAWA, and to HCV owners/managers of their rights and obligations under VAWA. Applicants will receive the "Notification of Rights and Obligations Violence Against Women Act" statement in their briefing packet. All HCV participants will receive the "Notification of Rights and Obligations Violence Against Women Act" statement at their annual reexaminations.

VIII. Confidentiality Requirements

- All information provided to the GGHA or owner/manager regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, will be retained in Confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.
- HCV participants are notified of their confidentiality rights in the "Notification of Rights and Obligations Violence Against Women Act" form that is given to them at the annual re-examinations. Applicants receive this notice at the briefings.

XI. Other Federal, State Or Local Laws

 VAWA does not supersede any provision of federal, state, or local law that provides greater protection to victims of domestic violence, or stalking.

ACCOMPLISHMENTS FY 2005-2009

HUD Strategic Goal: Increase availability of decent, safe and affordable housing

1) PHA Goal: Expand the supply of assisted housing

Accomplishment #1:

• The Garden Grove Housing Authority maintained 100% lease-up in order to maximize the funding received and address the lengthy waiting list. Turnover is anticipated and new Vouchers are issued in anticipation of tenants dropping from program.

Accomplishment #2:

• The Authority intends to respond to any appropriate Notice of Funding announcements, which come available in the future. During the past 5 years, including current fiscal year, no Notices of Funding became available; therefore, the Garden Grove Housing Authority was not able to apply for any additional funding to expand its program.

Accomplishment #3:

• The Garden Grove Housing Authority is collaborating with Jamboree Housing Corporation (a non-profit housing development organization, which has been designated as a CHDO-Community Housing Development Organization) and the City of Garden Grove to acquire and rehabilitate 104 units in the Buena Clinton neighborhood. The HCV Project-based contract has been executed and construction is underway. The Housing Authority is converting 52 of its Tenant-based Vouchers to Project-based in support of the program to assist Jamboree in maintaining the rental units as affordable for a 15-year term. The project, which will entail rehabilitation of 13 buildings, will be completed in December 2010, as well as provide support services based on a needs assessment.

2) PHA Goal: Improve the quality of assisted housing

Accomplishment #4:

• The inspection staff has completed formal Housing Quality Standards training and received certifications after rigorous testing. Inspectors receive ongoing support and training in local codes from the City of Garden Grove Building Department. Rental units do not receive funding from the program unless they meet Housing Quality Standards and local building codes. Inspection staff also received training on negotiation, since they are required to have this skill set when approving rents.

In addition the Inspection staff has assisted the Neighborhood Improvement Division with Housing Quality inspections for its HOME-assisted projects and First-time Homebuyers Program.

Accomplishment #5:

 Staff also received training on customer service skills and courses on eligibility requirements. HUD-sponsored training was made available on the PIC System (tenant data reporting system), Fraud Investigations, the VMS (accounting system) and overall Financial Management. The supervisory staff received training on Executive Management of the program and underwent testing.

Accomplishment #6:

 The Housing Authority offers Direct Deposit to its landlords, thereby improving the efficiency and cost of the program and responding to landlord requests.

Accomplishment #7:

• The Housing Authority is required to report electronically on all clients receiving subsidies on a continual basis throughout the year. Agencies must meet a 98% reporting threshold in order to receive funding for administrative costs. The Garden Grove Housing Authority exceeded this threshold.

Accomplishment #8:

 Housing agencies are assessed annually on 14 indicators in order to determine performance. The Housing Authority consistently maintained a SEMAP (Section Eight Management Assessment Program) score of a "High Performing Agency" from 2005-2009.

Accomplishment #9:

 During the period 2005-2009, the Housing Authority provided better access of its agency's information and documents by improving its website. Documents commonly used by tenants and landlords are posted on the website in order to eliminate the need to come into the office or request that they be mailed. The website also provides a pull down menu of Frequently Asked Questions which provides answers to common inquiries. An email portal is provided so that the public can communicate directly to supervisory staff to report fraud or have questions answered.

3) PHA goal: Increase assisted housing choices

Accomplishment #10:

• The GGHA in collaboration with Anaheim, Santa Ana, and Orange County Housing Authorities executed a Mobility Agreement as an alternative to Portability. Under Mobility, each PHA retained their tenants if they moved within the County and contracted the inspection duties to the appropriate jurisdiction. This process eliminated the complex billing for HAP and Administrative Fees usually associated with Portability. PHAs were billed for just out-of-jurisdiction inspections, which proved more cost effective. Since most tenants moved within the County boundaries, this process provided expanded housing choices for tenants without the cumbersome red tape associated with Portability. Tenants received information on both Portability and Mobility both in Initial Briefing sessions as well as moves with Voucher assistance.

In 2009, Santa Ana Housing Authority terminated its participation in the Mobility Agreement, Santa Ana's decision resulted in transitioning its out-of-jurisdiction clients to Portability. Under Portability our agency is required to fully service their clients i.e., determine ongoing income eligibility, conduct Housing Quality inspections, ensure compliance of tenant obligations and make rent payments to the landlords. Santa Ana then transfers 80% of their Administrative Fees and 100% of the Housing Assistance Payment to Garden Grove in order to reimburse our agency for services rendered to their clients. The process began in April 2009 and was completed in To date, Garden Grove is fully administering the Voucher Program for 240 of Santa Ana's clients, who live in Garden Grove, under Portability guidelines. The GGHA is earning approximately \$15,000 per month in additional Administrative fees from Santa Ana.

Accomplishment #11:

 Conducted outreach efforts to potential voucher landlords. Provided access to program information to landlords on the GGHA website and offered a listing service for vacant rental units. The GGHA is an ongoing member of the Apartment Association of Orange County, which provides opportunities to market the program to property owners.

Accomplishment #12:

 Although it is the desire of the Housing Authority to use 100% of the published FMR as its payment standard, in order to give tenants a broader choice of housing, funding constraints prevented this from occurring. The GGHA has increased payments standards over the 5-year period, however the past 5 years have been challenging since the level of funding has been unpredictable and cuts could not be anticipated. Therefore, the GGHA has adopted a conservative approach to raising payment standards and approving rent increases to property owners. Exemptions above the current payment standard were granted on a case-by-case basis to provide "reasonable accommodation" for disabled families. As a result of its approach, the Housing Authority has been able to utilize 100% of its allocated Vouchers and still remain within its budget despite cuts to the program. Many other Housing Authorities, nationwide, were forced to reduce the number of families in their program due to the cuts in funding. Garden Grove avoided this problem by careful planning and conservative spending.

4) PHA Goal: Concentrate on efforts to improve specific management functions:

Accomplishment #13:

 The GGHA undertook a major revision of its Administrative Plan to include policies and procedures, which reflected changes in regulations. The Plan was also re-written and re-organized to become user-friendly.

Accomplishment #14:

 The GGHA created an annual retreat, which allowed line staff from the 3 sections (Eligibility, Inspection and Clerical) to address problems with concrete solutions. The successful retreat fostered better communication and served to educate employees on their coworker's job duties in order to better understand the workflow.

Accomplishment #15:

• Collaborated with the City's Finance Department to create more effective monthly financial reports in order to more accurately report to HUD's VMS system.

Accomplishment #16:

• Updated the waiting list, which served to produce a more viable pool of applicants.

HUD Strategic Goal: Improve community quality of life and economic vitality

Accomplishment #17:

 A Moderate Rehabilitation contract expired in 2005, which necessitated a HUD request for replacement vouchers. As a result, the GGHA conducted informational sessions in three languages (Vietnamese, Spanish and English) in order to brief approximately 104 tenant families on the conversion to Tenant-based Vouchers.

Accomplishment #18:

• Continued to include building codes as part of the Housing Quality Standards and encouraged landlords to make unit improvements when negotiating rent increases.

Accomplishment #19:

 The Garden Grove Housing Authority executed a Memorandum of Understanding with a local homeless shelter, Thomas House Temporary Shelter. The Authority gives preference to homeless families referred by the shelter to assist in their transition from temporary, emergency shelter to permanent housing.

Accomplishment #20:

• In 2008, a 104-unit property in the Buena Clinton neighborhood became available for sale (Grove Park Apartments). A non-profit developer (Jamboree Housing Corporation) expressed an interest in acquiring and rehabilitating the property in order to maintain its affordability for a term of 15 years. In 2009, with the assistance of HOME funds provided by the City of Garden Grove, Federal tax credits, and Project-based Vouchers provided by the GGHA, Jamboree was successful in proceeding with the project. Rehabilitation of the units will be completed in late 2010.

HUD Strategic Goal: Promote self-sufficiency and assist development of families and individuals

Accomplishment #21:

 The Garden Grove Housing Authority continued to administer the Family Self-Sufficiency Program and increased the number of families enrolled. During the 5 years Housing Authority increased the total of enrollees (for the life of the program) from 251 to 292. In 2009, the GGHA received a HUD grant to assist in paying the salary of the Family Self-Sufficiency Coordinator.

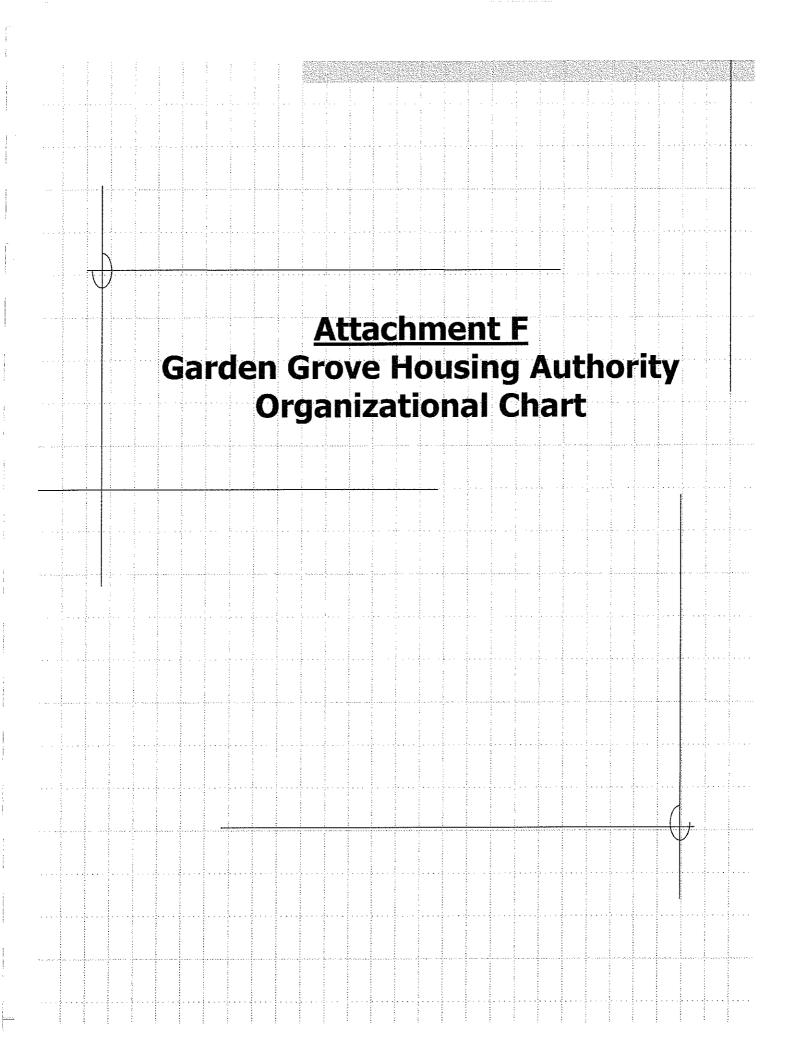

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

Accomplishment #22:

 Continued promoting Equal Opportunity in Housing through landlord education and referrals to the Fair Housing Council. The Fair Housing Council conducted staff training sessions on laws governing lease terminations specific to the Section 8 Program. The Fair Housing Council also provided legal services to Section 8 participants who were referred to them.

Accomplishment #23:

 Participated in outreach activities involving the Vietnamese and Hispanic population. Bi-lingual staff went out to community groups to explain and promote the Housing Voucher Program. Hiring practices reflect sensitivity to the ethnicity of the population, to provide adequate bi-lingual capacity. Eligibility interviews, briefing sessions and inspections are conducted in English, Vietnamese or Spanish (the two major non-English languages spoken in the agency's client base) whenever possible so that tenants are able to access the program fully. The Housing Authority also provides sign language services on a contract basis for those clients who are hearing-impaired.
